Loop Powered Meters

Texmate developed the world's first loop powered meters. We continue our leadership with the new micro processor loop powered displays with dual totalizers, square root and an optional setpoint.

- 13 mm, 6 digit, 7 segment LCD display

SD-60X
*NZ\$418.00 +GST

SD-60X & SD-802X

Combine control with indication functions.

- Front panel calibration
- Dual totalizers with setpoint reset
- Square root extraction
- One setpoint with 7 timer modes including hysteresis, deviation latch and reset functions.
- One optional S.S.R. output that can be assigned to the input or totalizer
- Smart filtering provides stable and fast response readings.
- 3.9 V loop drop (6.2 V if S.S.R. is installed)
- 1/8 DIN 96x48x13 mm case

SD-50X LCD Display

SD-Series 1/8 DIN 96x48 mm (3.78"x1.89")

Ultra short depth

- Simple front panel calibration
- Dip SW selectable °C, °F or dummy zero.
- 3.9 V loop drop

SD-50
*NZ\$229.00 +GST

SD-802X
*NZ\$503.00 +GST

- Two 8 digit 7x5 dot matrix 5.5 mm positive reflective LCD displays

New Zealand office:

1st Floor, 6/22 Te Pai Place,
Henderson, Auckland.
PO Box 245 Westpark Village,
West harbour, Auckland.

SP-31B LED Display

SP-Series 1/16 DIN 96x24 mm (3.78"x0.95")
Short depth meter with 31 segment red LED display.

NEW

SP-31B *NZ\$157.00 +GST

- Quick, easy mounting into any panel thickness
- Direct flush mount into mosaic panels
- Max 3.9 V loop drop.
- Available vertical or horizontal

DVM-5/CL LED

The world's smallest loop powered LED meter.

DVM-5/CL
*NZ\$229.00 +GST

1.45" x 0.59" (37 x 15 mm) CASE
Loop Powered, Process 4-20 mA

- 3.5 digits, 0.276" LED display.
- Max 8 V DC loop drop.
- Factory scalable to directly read in any engineering unit.

CM-35XT LCD Display

Loop Powered, Process 4-20mA, 0.48" LCD. Slim bezel case

- 6.5 V loop drop
- Fully user scalable to directly read in any engineering unit
- Header programmable decimals trailing '0' digit or °C and °F descriptors
- Reading hold

CM-35XT
*NZ\$181.00 +GST

CM-35XTL LCD Display

- Less than 1 V DC loop drop.
- Optional push-on terminal connector, CN-PUSH/CM or PCB edge connector, CN-L10.

CM-35XTL
*NZ\$231.00 +GST
